WHITEPAPER

"10 BILLION TOKENS OF \$STELLARFAM ARE CURATED OF WHICH 50% WILL BE BURNED OUT OF CIRCULATION."

Management.

INTRODUCTION

We want to express our gratitude to Stellar.org for making the platform an open-source, also enabling the Stellarfamily and developers beyond to make use of the codes. After years of dedication, hard work, monitoring, planning, and team development, we are excited to introduce you to \$STELLARFAM

\$STELLARFAM serves as a Community driven token for the #Stellarfamily and #AllofStellar around the globe, in which new and old tokens on Stellar Blockchain thrives. It has a motive of empowering the Stellar Blockchain and the Cryptoverse as a whole.

Our team is building a secure, useful and easy-to-use product and services strictly based on Stellar Blockchain and Ecosystem, which will make business efficient, transparent and reliable.

WHY \$STELLARFAM

THE STELLARVERSE/COMMUNITY

The stellarverse and community is huge and has no limitation for expansion, the token holders can also exchange their tokens for other tokens/crypto coins in an exchange/platform that supports #StellarFam.

Our brilliant and devoted developers are currently working around the clock to achieve these goals.

THE METAVERSE

Through the power of Stellar Blockchain, we are creating an ecosystem that will assist humanity in creating advanced virtual communities.

NFTs

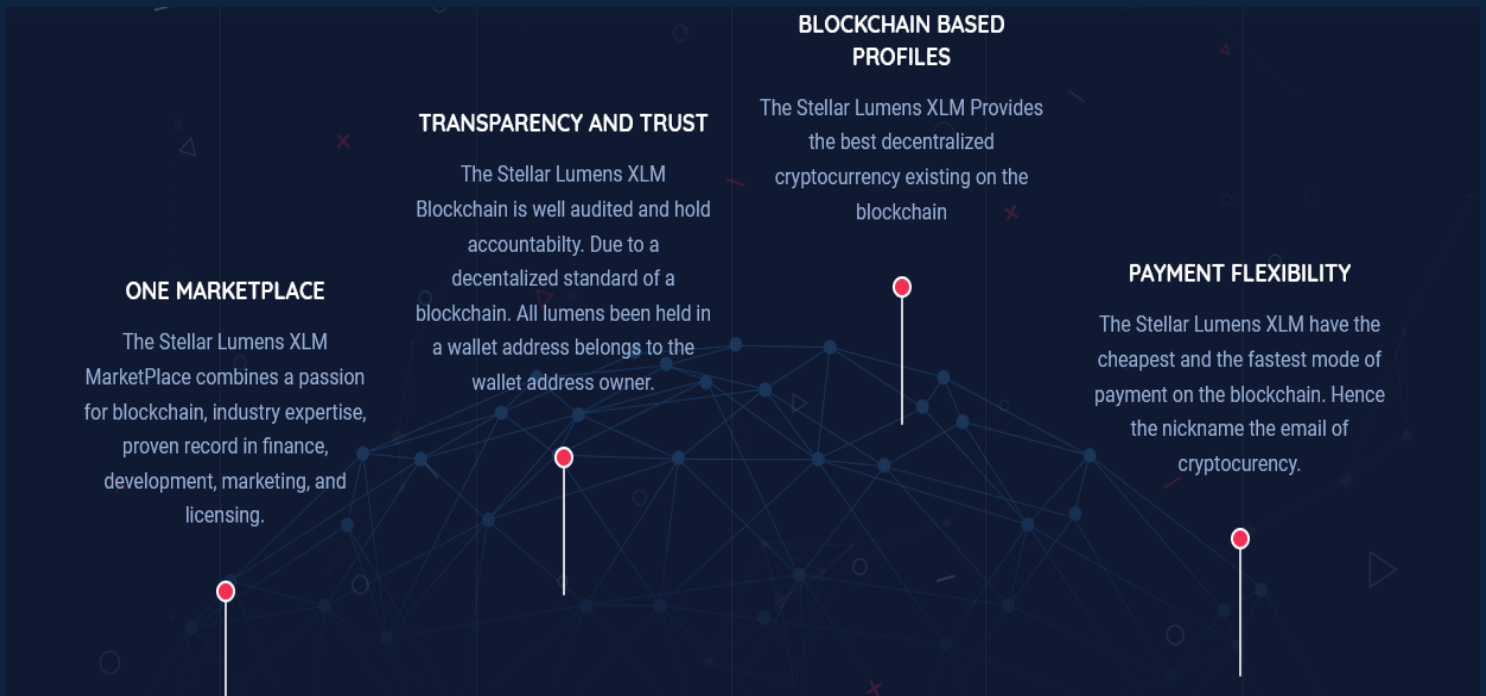

NFTs will be authenticated and curated by the Stellar Family Management and will be included in gaming tournament, giveaways and much more.
